## Camp FAQs

### What are camp counselor qualifications and staffing ratios?

All Villa Sport camp counselors are CPR/First Aid certified and complete a thorough interview process. Staffing ratios meet or exceed state requirements and vary by camper age and activity.

### Can I request that my child be grouped with their friend??

Yes — requests will be accommodated as space allows.

### Do you administer swim tests for children?

Parental permission for swimming is required via the supplemental Youth Admission Form. Campers with parental permission will be given a deep-water swim test. Children who do not pass the test, or elect not to take it, will be restricted to the shallow end and required to bring and wear a life jacket. If your child does not have a life jacket, he/she will be provided with alternative activities during swim time.

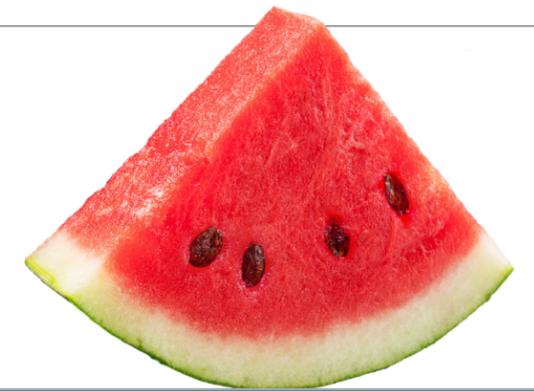

A safety talk will be provided to all shallow-end and deep-end swimmers. Lifeguards and camp counselors will supervise camp swimmers.

### How can I learn more about camp?

Join us for our Summer Camp Info Night on **Saturday, May 23, 3:00pm – 4:00pm** to ask questions, tour Kids Club, meet camp staff, and learn more about required forms, swim testing, check-in/check-out processes, and more.
